THE AWARDS ISSUE

We are at the end of the track and field season for 2008. It is time to give credit to all of our athletes who have won awards in our VIAA Track and Field Meet Series and have participated on the 2008 Zone 6 Summer Games Team.

The intent of this issue is to just give credit... first to our athletes and then to our club and team coaches and finally to our officials.

And we cannot forget the parents; they drive their children to training sessions, track meets on and off the island, and serve as our volunteer officials at our meets.

CONGRATULATIONS AND OUR THANKS TO ALL OF YOU!

BOOKMARK OUR CLUB WEBSITES!

Most of the VIAA member clubs have their own websites which contain training schedules, club information as well as VIAA meet information and results. Check out the sites over the fall and winter to see when spring registration will take place. If the information is not posted, there will be a contact name so that you can email a club executive member or coach to find out when training will start up in the spring.

For overall information about our sport and provincial events, go to the BC Athletics website at www.bcathletics.org.

Check out our member club websites for more information about registration, training, programs and start-up dates for the 2009 outdoor season.
